

# WAS BEDEUTET "LUXUS" RUND UM DIE WELT? *DEUTSCHLAND*

## Zitate von unseren Kollegen in Deutschland:

"Something one does not need. It serves to make oneself feel good"

"Time to stay in nature"

"Luxury starts where necessity ends"

"Sometimes I consider the sheer accessibility of a certain good as luxury"

"In a modern interpretation of luxury money can be replaced by anything people run short of - e.g. time"
